AUBAINE

2019 ANAHATA VINEYARD PINOT NOIR

THE STORY

Aubaine is a high end boutique project of single vineyard and estate only Chardonnay and Pinot Noir. Our founder Andy Lytle has teamed up with esteemed winemaker Isabelle Meunier to make the best possible expression of the Eola-Amity Hills. Aubaine is the French term for Windfall which is one of the estate vineyards that will be used in future vintages. The green wave on the label represents the Eola-Amity Hills, and the blue wave represents the winds of the VanDuzer Corridor. Our inaugural release is the 2019 vintage from the Anahata vineyard. Pronounced Ô-Bane.

VINTAGE

The growing season of 2019 started on the rather cold side in the Spring, with slow growth and some frost pockets, which is rather unusual in the Willamette Valley. We did catch up in May & June, with bloom on target by second week in June, carried by the first heat wave of the season. This weather-driven bloom yielded highly variable yields and small berries size, including the famous "hens and chicks". Summer weather on the cooler side through July and August promoting a nice slow season with a few welcome rain events throughout. Veraison in August was long and cool, a sign that our picking window will be extended naturally. A last, our first harvest was picked from September 21st to 30th in glorious conditions where we benefited from the cool classic vintage with extended ripening, and great complexity of flavors.

TASTING NOTES

Bright and deep ruby in color with a bluish edge, the first nose opens with lovely aromas of raspberry, fragrant rosemary, hints of lavender and baking spice such as cardamon and mace, and opens up boasting with red fruit: bright cherries, strawberries, red raspberries. Smooth and lush yet restrained, the lovely palate travels with a smooth beginning, vibrant core of fresh cherries and lavender, and closing on an elegant finish sustained by velvety tannins. The quintessential definition of a beautiful pinot noir, complete, youthful and vibrant, and showing promises of getting better through time.
